

Privacy Statement

Morebility values the privacy of its online users and is committed to protecting their personal information. This online privacy statement outlines how we collect, use, and safeguard your information when you visit our website.

Information We Collect:

- 1. Personal Information:**
 - When you sign up for newsletters, make a donation, or register for events, we collect personal information such as your name, email address, mailing address, and payment information.
- 2. Non-Personal Information:**
 - We may collect non-personal information about your visit to our website, such as your IP address, browser type, the pages you visited, and the time you spent on our site. This information helps us improve our website and services.

Use of Information:

- **Personal Information:**
 - We use your personal information to process donations, send receipts, communicate about *Morebility's* programs, respond to inquiries, and provide updates.
- **Non-Personal Information:**
 - Non-personal information is used to analyze trends, administer the site, and gather demographic information for aggregate use.

Cookies and Tracking Technologies:

- Our website may use cookies and similar tracking technologies to enhance your experience. Cookies are small files placed on your device that help us understand how you interact with our website. You can choose to disable cookies through your browser settings, but this may affect the functionality of our site.

Information Sharing and Disclosure:

- *Morebility* does not sell, trade, or share your personal information with third parties without your consent, except as required by law or as necessary to process transactions.
- We may share information with trusted third-party service providers who assist us in operating our website, conducting our business, or servicing you, provided they agree to keep this information confidential.

Privacy Statement

Data Security:

- We implement appropriate security measures to protect your personal information from unauthorized access, alteration, disclosure, or destruction.
- Our website employs SSL encryption to safeguard sensitive information transmitted online.
